Address

Notice is hereby given that the City of Hoquiam is accepting separate sealed bids for the removal and management of biosolids currently in the City's wastewater lagoon, construction of two (2) earthen partitions to divide the lagoon into sections, construction of piping, and associated and related work.

Bids will be received by Mike Folkers, Finance Director at the Hoquiam City Hall (address listed above) until 10:30 a.m., October 20, 2009, and then at said office publicly opened and read aloud.

A Bid must be accompanied by Bid security made payable to Owner in an amount of 5 % of Bidder's maximum Bid price and in the form of a certified check or a Bid bond (EJCDC No. C-430, 2002 Edition) issued by a surety meeting the requirements listed in the bid documents.

The project will be funded by the United States Department of Agriculture (USDA) Rural Development and subject to the wage provisions of Davis-Bacon and Related Acts. The contractor must comply with the minimum rates for wages for laborers and mechanics and subcontracts exceeding \$2,000 as determined by the Secretary of Labor in accordance with the provisions of the Davis-Bacon and Related Acts. The Bidder must also comply with the Washington state prevailing wage provisions. The higher of the minimum state and federal prevailing wages must be paid.

Bidders are also required to comply with Section 1605 of the American Recovery and Reinvestment Act of 2009, as it may be amended by funding agency waivers as published in the Federal Register, which specifies that all iron, steel and manufactured goods used in the project are produced in the United States. The policy is contained in the specifications.

The Contract Documents may be examined at the following locations:
